2025 Wedding Information

Welcome

We are delighted that you would like to be married in church and are here to help you prepare for your wedding day. A church is not a wedding venue, it is a worshipping community where throughout the generations couples have come to have their love for each other blessed by God and to make solemn vows of lifelong commitment in front of God and his people. The community here at St Mary's will be praying for you as you prepare for your wedding. Hopefully you will join with us at Sunday worship as part of your wedding preparations.

Legalities

Marriage is both a religious and legal ceremony. It is important that we follow the correct legal procedures. The normal legal process is for banns of marriage to be published in church. Banns may be published for:

1. anyone who lives within the Tring Team Parish;
2. anyone with a 'qualifying connection' with the Tring Team Parish;
3. anyone on the church electoral roll of the Tring Team Parish.

There is more information about this on a separate sheet

The Publication of Banns

Your banns will be called on the first 3 Sundays at Tring 10am service two months before your wedding - i.e. if your wedding is in June then your banns will be called on the first three Sundays of April and once in Puttenham at 3.30pm Service of the same month. You should attend at least once when they are read. Where one or both of you, live outside the parish, you must contact the

vicar of the parish in which you live to arrange for banns to be called in that parish church. After they have been called a certificate will be issued (for which you will have to pay a fee). You must give the certificate to the minister conducting your wedding. They have to have seen this before the wedding can go ahead.

Marriage in church after divorce

The Church teaches that marriage is a lifelong commitment. However we recognise that for number of reasons marriages can fail. Since 2002 the Church has made it possible, in some circumstances, for there to be a subsequent marriage after divorce. If either of you has been married before please mention this at an early point. There will need to be a frank and open conversation about the previous relationship.

Marriage Certificate

From 4th May 2021 marriage certificates are no longer issued at the time of marriage. After your wedding you will need to apply online <https://www.hertfordshire.gov.uk/certificate>. The cost will be £11 for each copy and will be posted to the address you request via 2nd Class Post. Your certificate should arrive within 15 days of applying.

Other information

Officiating Minister

It may not be possible for the Rector to conduct your service, however we are part of a Team parish and there other priests who can conduct your service. The Rector will let you know well in advance.

Orders of Service

You will need to discuss this with the minister conducting the service to ensure that order is printed correctly.

Church Music

Live music is often preferable. The organ in St Mary's is perfect for a small country church but please remember it isn't the same as some of the mighty instruments in the great cathedrals. Please talk to our organist to make sure that the music you choose will work on it. You may also wish to visit Tring's website www.tringchurchmusic.org.uk/ weddings to look at some suggestions. There are recordings of entrance and exit music, recordings of hymn tunes and the words, and suggestions for the signing of the registers.
